American Academy of Pediatrics  
INCORPORATED IN FLORIDA

## COMMITTEE STATEMENT: EARLY CAREER PHYSICIANS COMMITTEE

FCAAP's Early Career Physicians Committee serves to develop and support a community of primary care and subspecialty Pediatricians to excel in clinical care, leadership, and advocacy during the first ten years of practice upon completing training. The ECP will achieve this mission through the active engagement of members, fostering of mentorship, provision of clinical and advocacy-related resources, and regular communications to its members. Our ultimate goal is to improve the care of Florida's children by sustaining a workforce of well-balanced, connected, and fulfilled early-career Pediatricians.
