The Florida Chapter of the Academy of Pediatrics, the ALK Foundation, and the Dade County Medical Association present

ALLERGEN IMMUNOTHERAPY BEST PRACTICES WORKSHOP

Live, Virtual Event
Saturday, November 11, 2023
Opportunity for 6 CME Credits for All Eligible Healthcare Providers

Educational Objectives / By the end of this workshop, the participants should be able to:
1. To recall the fundamental concept of immune responses in allergy and asthma.
2. To recognize the importance of the common airway in treating AR and asthma.
3. Familiarize and recognize the scientific data supporting FDA approval of various options for SLIT tablets.
4. Enumerate three to five indications for prescribing approved SLIT tablets and the need to co-prescribe an epinephrine auto-injector and educate patients on its use.
5. Recite the contraindications to prescribing SLIT tablets.
6. Recognize the best practices to counsel patients on appropriate expectations of therapy.
7. Mention the steps required to administer the first dose of SLIT tablets under observation in the office and how to manage any associated adverse events.
8. Recognize the cardinal signs and how to manage Anaphylaxis, asthma exacerbation, and other allergy reaction emergencies.
9. Understand where and how to access clinic and patient resources to optimize treatment adherence and how to monitor treatment outcomes objectively.
10. Recognize Indications for discontinuing treatment after patients have responded satisfactorily.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the providership of the Dade County Medical Association. The Dade County Medical Association is accredited by the Florida Medical Association to provide continuing medical education for physicians.

The Dade County Medical Association designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
