

Florida Chapter of the
American Academy of Pediatrics
INCORPORATED IN FLORIDA

TASK FORCE STATEMENT: **SCHOOL HEALTH TASK FORCE**

FCAAP's School Health Task Force's purpose is to identify and address the comprehensive health needs of children in the Florida School System. The main focus is to identify the needs and available resources and improve the communication and collaboration between communities and statewide entities as well as advocacy groups.

We aim to identify and integrate all the available resources to improve the health of our children during their school years, so we can help them endure a healthier future.
