

FCAAP WELLNESS

2026 PARTNER PROSPECTUS

PARTNER WITH FCAAP

SUPPORT PEDIATRIC HEALTH CARE PROVIDERS

Wellness is a key to career success and personal health. The [FCAAP Wellness Program](#) was launched in 2020 to support and encourage members to prioritize their own well-being. Pediatric healthcare professionals enjoy expert-led presentations and interactive activities.

FCAAP's popular Strava Club is a supportive network of FCAAP Athletes that caters to all fitness levels and types. It focuses on community and support, not competition by providing members an opportunity to share tips, track fitness activities, participate in fitness challenges, and share their wins. The FCAAP Wellness Book Club provides another opportunity for connection, discussion, and personal reflection.

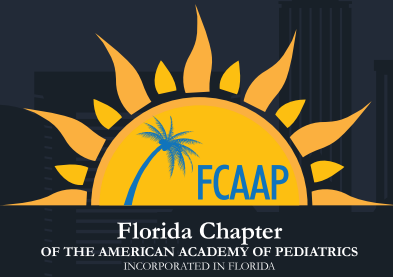

Since 2022, FCAAP has invited other AAP chapters from across the country to participate in the Wellness Series. FCAAP was selected as the Very Large Chapter recipient of AAP's Outstanding Chapter Award based in part on the strength and success of this program, and the Series was recognized in the May 2023 AAP News OnCall as a "life vest."
